Bill Gates Co-founder, Microsoft | Co-chair, Bill & Melinda Gates Foundation

"We need education systems that teach problem-solving and critical thinking."

Jensen Huang Founder & CEO, NVIDIA

"Understanding how to work with AI will be essential for every profession."

WHY INTERNATIONAL FUTUREX FELLOWSHIP?

Peter Thiel Co-founder, PayPal | Entrepreneur & Investor

"Education should teach people how to think, not what to think."

Falguni Nayar Founder & CEO, Nykaa

"Modern careers demand adaptability and practical skills at every stage."

Sheryl Sandberg Former COO, Meta

"Careers today require constant reinvention and skill building."

International FutureX Fellowship is built to develop thinkers, builders, and leaders for an AI-driven world.

THE CHANGING LANDSCAPE OF EDUCATION

As school leaders, you face the challenge of bridging the gap between traditional academics and future skills.

NEP 2020 & NCF 2023 require integration of:

- Financial Education & Wealth Management
- AI, Coding & Digital Competencies
- 21st Century Problem Solving & Critical Thinking
- Business Communication & Negotiation Skills

The Challenge:

Implementing these subjects demands new faculty, infrastructure, and time, resources already stretched thin

The Solution:

The FutureX Fellowship brings expert-led, ready-to-launch programs to your school, enabling NEP-compliant future-skilling with no extra administrative burden.
